**AALRR Partner Joseph N. Akrotirianakis
Named Among Top Five Transportation Attorneys in the United States**

Last week, Atkinson, Andelson, Loya, Ruud & Romo (AALRR) partner Joseph Akrotirianakis was selected by the national publication *Law360* as one of its 2016 MVPs. Over 1,000 attorneys across the country were nominated for the honors, which were awarded to five attorneys in each of 38 practice areas. Akrotirianakis was recognized for his outstanding results on behalf of his transportation industry clients. According to *Law360*, "The elite slate of attorneys chosen as *Law360's* 2016 MVPs have distinguished themselves from their peers by securing hard-earned successes in high-stakes litigation, complex global matters and record-breaking deals."

"The past few years have been very busy ones for us," Akrotirianakis said. "It's gratifying to see our hard work result in a number of major victories for our shipping and terminal operator clients. It is an honor to be recognized by *Law360*, and this award is a tribute to the talent and efforts of all of the lawyers who make up our International Shipping and Transportation practice."

Akrotirianakis's international shipping and transportation law clients include marine terminal operators, international shipping lines, and their domestic agents. Akrotirianakis, a trial lawyer and decorated former federal prosecutor, practices in the areas of commercial litigation and white collar and regulatory defense and investigations.
