Speaker: Thomas A. Lenz, Senior Partner

Thomaz Lenz is a senior partner handling all aspects of labor and employment law issues from the firm's Cerritos and Pasadena offices. He heads the firm's traditional labor and National Labor Relations Board practice. He works with employers in major industries across California and the West. He is currently an elected officer of the Executive Committee of the Labor and Employment Section for the State Bar of California.

Tom represents ABC Chapters and contractors across California and sits on ABC's National Legislative Committee, where he helps ABC to develop policies and positions on important labor and employment issues affecting merit shop contractors. In over 20 years of representing ABC and contractors, Tom has dealt with a wide variety of construction labor issues, including union organizing, salting, picketing, bannering, project labor agreements, and efforts to pressure contractors and their customers to advance labor union agendas. Before entering private practice in the 1990's, Tom worked as an attorney with the National Labor Relations Board in Los Angeles where, in a bilingual English-Spanish practice, he helped to enforce federal labor law affecting employers and unions across Southern California.

Tom has been named one of the Top Hundred Labor Attorneys in the United States by Labor Relations Institute, Inc., a leading industry information source.
