

## ERISA COMPLIANCE AND MEDICAL SELF-INSURANCE SEMINAR

### OBJECTIVES

- Understanding if your company is prepared for an ERISA (Employee Retirement Income Security Act) audit for employer sponsored group benefits.
- Learn if your company is compliant with all the key provisions.
- Top areas of risk with ERISA.
- Understand if Self-Insurance is viable for your company medical plan.
- How much did your Medical insurance increase this year? Was it too much?
- Does Self-Insurance make sense for your company? Self-Funding isn't just for large groups anymore.
