LABOR LAW & PREVAILING WAGE CRITICAL UPDATES & COMPREHENSIVE OVERVIEW

Featured Speaker

Tom Kovacich

Senior Partner, AALRR

Thomas Kovacich exclusively represents employers in all aspects of employment, labor relations matters and construction law. Mr. Kovacich is a specialist in state and federal public works, wage and hour laws, and labor relations, including NLRB elections and arbitrations. One of his principal areas of practice is facilities, including construction, construction labor law and construction claims.

other presenter:

MONTE TENEYCK - Financial Consultant: Monte TenEyck is the go to financial advisor for public works contractors. Monte has helped contractors increase profits, win bids, and lower their wage burden on public works jobs. Monte will discuss the strategies successful contractors use to be competitive in public works, control cash flow, and build corporate financial strength. You will learn how to use Davis Bacon and Prevailing Wage Laws to provide the best benefit package for your unique group of employees and how to create procedures for you and your staff to meet your fiduciary obligations.
