K12 Title IX Refresher

January 23, 2026 | 8:30 - 10:00 AM

Understanding and complying with the current Title IX regulations is essential for creating a safe and equitable educational environment. The Title IX regulations require that those involved in the Title IX grievance process receive training. This refresher webinar will allow participants to brush up on their understanding of the Title IX requirements. This interactive training will explain the Title IX regulations and the procedures for processing a Title IX complaint.

Title IX Training for Principals

February 4, 2026 | 8:30 - 9:30 AM

The Title IX regulations significantly impact the way in which school districts must respond to Title IX complaints of sexual harassment and sexual assault. Join us as we discuss what principals should know and what to do to comply with the regulations.

Title IX Coordinator Training for CCDs

February 6, 2026 | 8:30 - 10:00 AM

Understanding and complying with the current Title IX regulations is essential for creating a safe and equitable educational environment. This webinar provides the knowledge and tools needed to navigate these changes effectively. This interactive training will explain the Title IX regulations and the procedures for processing a Title IX complaint.

Title IX and Special Education Training

February 27, 2026 | 8:30 - 10:00 AM

This timely webinar explores the intersection of Title IX and Special Education, equipping schools with practical guidance for handling sex-based discrimination and harassment involving students with disabilities. Learn how to align Title IX obligations with IDEA and Section 504 requirements while protecting student rights and reducing institutional risk.
