With school districts facing uncertainty as to the funding they may expect to receive for next year and beyond, further staffing reductions may become an unfortunate reality.

The summer layoff provision in the Education Code has rarely been used, but this may be the year that you will need it.

Come join us for an informative session on the continuing issues in the area of certificated layoffs, including:

- Summer Layoffs
- Rehiring and Hiring Practices
- Getting Seniority Lists Right
- Layoff Lessons Learned
