Protecting Against Employment Discrimination Claims for Owners, Contractors, and Construction Managers with

**Irma Rodríguez Moisa, Partner,
Atkinson, Andelson, Loya, Ruud & Romo**

Owners, including cities, counties, and districts; construction managers and contractors are facing unparalleled risk of discrimination claims by employees and others. These claims are expensive, onerous, and time consuming, not to mention the stress and drain on public entity budgets and/or company resources. This event will give you a thorough understanding of discrimination claims and the training and best practices you need to minimize risk and ultimately avoid allegations of workplace discrimination.

Your continued participation directly funds Chapter Foundation scholarship and Internship programs, ensuring a diverse and inclusive workforce, especially during these challenging times!
