REAL ESTATE

Ever-changing economic conditions and upheavals in the financial and real estate markets create particular challenges to the financing, purchase, and disposition of real estate—but our attorneys are well-qualified to weather the storm. AALRR provides clear, practical advice across the full spectrum of real estate matters in order to help clients achieve their goals, whether it involves assisting in a lease renewal, structuring and negotiating complex transactions, preparing and reviewing documentation, or handling a tax dispute or environmental and land use issues.

When it comes to our real estate practice, we define our success by meeting our clients’ objectives as quickly and effectively as possible. This means establishing open and constant communications, maintaining responsive communication, and prioritizing cost-efficiency in all matters. In each matter, we anticipate our clients’ needs and create strategies to help them avoid potential pitfalls. The level of service we provide on this front distinguishes us from our competitors.

Our attorneys work closely with clients to achieve that success in every area of real estate. We assist with a wide range of types of real estate, including but not limited to: office, industrial, restaurant, shopping center, and retail, and our regular clients include school and community college districts, water districts, manufacturers, contractors, shipping companies, high net-worth individuals, and many others. From helping with acquisitions and sales to development agreements to contracts, we have a long history of success in the world of real estate, and are ready and well-equipped to help you in every challenge.
